

Thai aerosol production jumps over 8%...

The Thai Aerosol Association (TAA) released figures for aerosol production in Thailand for 2016. Total aerosol production last year was approximately 289 million cans, up from 267 million in 2015. Tinplate steel accounted for approximately 140 million cans, while aluminum cans numbered roughly 149 million. Compared with 2015, aerosol fillings in Thailand grew almost 8.24%.

Personal care products were the most popular at 48%. Insect Sprays and Spray Paint tied at 19%, followed by Household at 12% and Industrial at 2%.

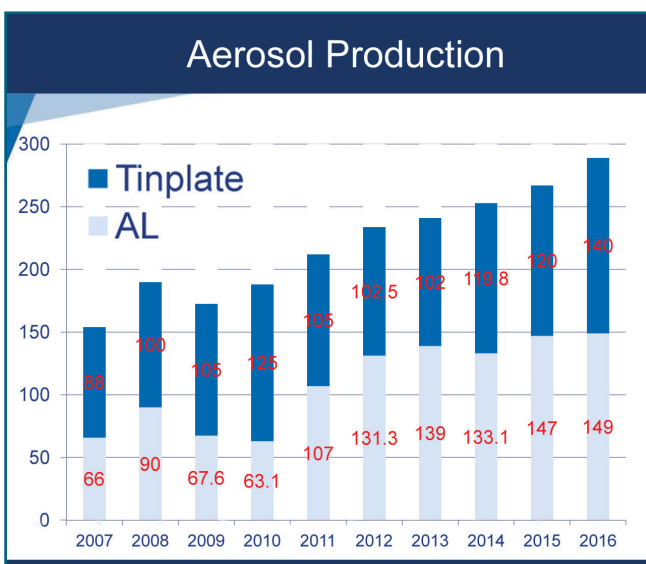

The TAA now has 24 member companies and a new Board, headed by Chairman Takahashi Masaomi, President of Thai Daizo Aerosol.

The TAA 10th Anniversary Celebration & 2nd Aerosol Exhibition & Aerosol Award Gala Dinner will be held at the annual Asian Aerosol Federation (AAF) Meeting in Bangkok, Thailand on Feb. 12-13, 2018. SPRAY

Aerosol Production per capita 2016
