

FEA shares **global** statistics

Filling numbers for Australia, South Africa & China

The European Aerosol Federation (FEA) released the following information regarding aerosol production, decade over decade, in Australia, South Africa and China.

Australia filled 240 million aerosol products in 2018; this is an almost 2.13% increase over the 235 million filled in 2008.

The Republic of South Africa (RSA) saw production of 290 million aerosols in 2018 for a more than 30.63% increase over the 222 million filled in 2008.

The People's Republic of China (PRC) produced 2.293 billion aerosols in 2018. It produced 1.213 billion in 2008, making for an 89% increase. **SPRAY**

Aerogard Tropical Strength personal insect repellent offers six hours of protection for the whole family. It is manufactured by Reckitt Benckiser Australia.

Kingyes Fresh Natural AP/Deo Spray is a top seller with female consumers in China.

Q20 Super Multi-Purpose Lubricant was developed in 1950 in South Africa; the brand was acquired by CRC Industries in 2018.
