

Aerosol Highlights...

Spray products across all categories reflect Aerosol Pressurized Products Survey.

Each year, the Household & Commercial Products Association (HCPA) releases its Aerosol Pressurized Products Survey. The report gives an account of aerosol product production in the U.S. and Puerto Rico, broken down into various categories.

For more details of the *Aerosol Pressurized Products Survey*, see page 30.

The survey breaks “Aerosol Pressurized Products Filled” into eight categories; *SPRAY* takes a look at each category with a sampling of the latest and most innovative products for each.

Insect Sprays

More than 245 Million filled in 2019

Residual Insecticides

Mycodex Plus Environmental Control Aerosol Household Spray kills all four stages of the flea: adults, eggs, pupae and larvae. It also kills ticks,

roaches, ants, spiders, lice, crickets, centipedes, waterbugs, silverfish and sowbugs. It contains the botanically-derived insecticide Linalool to break the flea life cycle and control re-infestation for up to 210 days. It comes in a 16oz. can from DS Containers.

Personal Insect Repellents

Repel Insect Repellent Sportsmen Max Formula 40% Deet Aerosol offers hours of effective, long-lasting protection from ticks, black flies, gnats, chiggers, no-see-ums, sand flies, deer flies, fleas, biting flies and other biting insects. It also repels mosquitoes that may transmit the Zika, West Nile, Dengue and Chikungunya viruses. It is non-greasy and resists perspiration.

Collection of air fresheners. New seasonal scents include **Bamboo Bliss Song** (lotus blossom and fresh moss), **Berry Pop** (strawberry, blackberry and lime zest) and **Sultry Amber Rhythm** (black rum, leather and mint). The 6.2oz. can sports the Linal LI98 male valve with custom Glade spray cap.

Laundry Care

New **Faultless ReWear Dry Wash Spray** quickly revives favorite shirts, pants, jeans, jackets and more by removing wrinkles and eliminating odors without laundry hassles. For use on clothes after wearing or before a future wear, the product captures and eliminates odors, removes and resists wrinkles, keeps whites whiter and prevents stains from setting. Consumers can lighten their laundry load by spraying and hanging up clothes to be easily prepped for another day. The 20oz. can is supplied by DS Containers.

Paints & Finishes

More than 463.5 Million filled in 2019

Paints

Big Box retailer **Home Depot's BEHR Chalk Decorative Aerosol Paint** can be applied over most existing surfaces with very little surface preparation and delivers a smooth matte finish. It is suitable for refreshing old and new wooden furniture, cast stone, concrete and metal surfaces to create one-of-a-kind accent pieces. It comes in six colors, such as Pale Moon and a Clear topcoat. It offers easy application, as no primer is needed and it adheres to almost all surfaces. It provides enhanced coverage over new or previously coated surfaces and dries to a velvety soft-touch finish. The 12oz. can utilizes a spray from Aptar Beauty + Home.

Varnishes

For hard-to-brush surfaces, **Deft Gloss Clear Wood Finish Interior Spray Lacquer** seals and finishes interior wood furniture, cabinets, paneling, bar tops and crafts. It is safe to use on rosewoods and other exotic hardwoods. It dries crystal-clear to the touch in 30 minutes, is non-yellowing and alcohol, fruit juice- and water-resistant. It won't brush mark, skin over or harden in the can and can be cleaned up with lacquer thinner.

Personal Care Products

Skin Care

Starco Brands, through its consumer brand **Breathe**, has introduced an aerosol hand sanitizer spray with a 75% alcohol solution. The patent-pending product utilizes compressed air (mostly nitrogen) as a propellant. Continuous spray technology enables the user to sanitize more efficiently with zero human-to-human contact, benefitting individuals, households, hospitals, health care facilities, airports, transportation terminals, hotels and institutions. The product is currently being launched nationwide at Dollar General stores and at Breathesanitizer.com. The company then plans to roll out the line to other national and online retailers, while also donating an allot-

ment of product to first responders. The product comes in a 1oz. travel size in a can from Trivium. The 5oz. and 9.5oz. sprays come in a can from DS Containers with valves from Aptar.

Hair Care

Eva NYC Kween Glitter Spray for hair and body has a lightweight, non-sticky formula that contains ultra-fine glitter particles that add a shimmery glow to a pre-party look. Hair and skin are left sparkling and shiny with a formula of Keravis Protein Complex, argan oil and silver glitter to deliver optimal anti-breakage effects and nourish hair. The 4.9oz. aluminum aerosol can from Trivium has metallic decoration from Overnight Labels and a Linal CA39 powder valve with ST836 actuator.

Veterinary Care

Wound-Kote Blue Lotion Spray Wound Dressing from Farnam is a quick-drying, deep-penetrating 5oz. spray that offers effective protection against bacterial infections most common in skin lesions of horses, ponies, cattle and dogs. Its antiseptic properties help control secondary infections and can't be easily rubbed or washed off. For use on surface wounds, minor cuts, skin abrasions, harness galls and saddle sores.

Non-pesticide

Bark Beauty Dry Shampoo for dogs is easy to use and allows pets to stay fresh longer between baths, without the use of water. Infused with fragrance, the pH-balanced formula refreshes fur, neutralizes odors and adds moisture without product build-up. It is sulfate- and paraben-free and comes in **Peachy Keen** and **Lemon Zest for Life** scents. The 3.5oz can uses the Lindal CA39 powder valve and ST340 actuator.

Automotive, Lubricant & Industrial Products

More than 503 Million filled in 2019

Cleaners

Fluoramics introduced **Bust That Rust**, a synthetic penetrating oil engineered to break through rust. Its foaming action allows the penetrant to soak deep into and beyond the areas to which it is applied. The formula is solvent-free, will not evaporate, lubricates while breaking through existing rust and also helps prevent new rust from forming. **Bust That Rust** comes in an 11.5oz. aerosol can for ease of application, along with an attached straw for smaller or hard-to-reach areas. **Bust That Rust** is suitable for use on nuts, bolts, padlocks, shafts, flanges, hinges and all other rusted metal parts.

Other Auto/Industrial

PWR-4 Aviation Degreaser from Techspray, an ITW CCE brand, is a specially-formulated aviation product for strong grease removal of hydraulic fluid, fuel oils, lubricating oils and

greases and other organic residues. The product does not contain n-propyl bromide and features a powerful, long-reaching spray to clean hard-to-reach aviation parts from as far as 10'. It is fast-evaporating, non-flammable, quick-penetrating and volatile organic compound (VOC)-compliant for the U.S. Environmental Protection Agency (EPA), the California Air Resources Board (CARB) and the South Coast Air Quality Management District (SCAQMD). It conforms to test requirements such as the sandwich corrosion test, paint softening test, hydrogen embrittlement test and stress crazing test. It comes in a can from DS Container with a valve and actuator from Precision.

Techspray Aviation Degreaser II is formulated specifically to meet National Emission Standards for Hazardous Air Pollutants (NESHAP) requirements. It does not contain n-propyl bromide and provides enhanced removal of hydraulic fluid, fuel oils, lubricating oils and greases and other organic residues from aviation parts and is VOC-compliant for EPA, CARB and SCAQMD. DS Containers provides the can, while Cobra Plastics supplies the overcap. The valve is from Lindal and the actuator is from Newman Green. The chemistry for both degreasers comes from Honeywell, Chemours, Westlake and Kouraglobal.
